AFCEA Hampton Roads Lunch & Learn - *Blockchain Technology is more than just Bitcoin and other Cryptocurrencies* - Tuesday, March 5, 11:30 AM - 1:00 PM, Old Dominion University Tri-Cities Center, Portsmouth, VA

Join AFCEA Hampton Roads as they host a Lunch and Learn, *Blockchain Technology is more than just Bitcoin and other Cryptocurrencies*, with Dr. Adrian Gheorghe, Professor of Engineering Management and Systems Engineering at Old Dominion University. Participants will learn more about the hot new technology, blockchain. An expert of blockchain and machine learning, Dr. Gheorghe will be discussing the principles around blockchain technology, its uses, and future developments.

Please come join AFCEA Hampton Roads for a delicious lunch and insightful lesson about this transformative industry. Registration is \$10 for both AFCEA members and non-members and free for sustaining sponsors. Lunch is included in admission price. Doors will open at 11:15 AM on the day of the event for check-in and networking. Attendees must RSVP and pay prior to the event at <https://hamptonroads.afceachapters.org/lunch-and-learn>.

For more information, email Jonathan White at VPMilitaryAffairs@hamptonroads.afceachapters.org.
