

Young AFCEAN Hampton Roads Chapter

Welcome!

Welcome to the Young AFCEAN Hampton Roads Chapter. We are a new organization of young professionals 40 and under who work in information technology, communications and electronics for the defense, homeland security and intelligence communities. We would like for you to become involved with YACHR and learn more about what we do.

DON IT Conference East Coast 2017

In Conjunction with the AFCEA Hampton Roads Summit

May 16-18, 2017

Hilton Norfolk The Main

Norfolk, VA

Join the Hampton Roads Chapters of the AFCEA and Young AFCEAN to share information about new and emerging IT policy and initiatives, those that support statutory requirements, cybersecurity privacy and electromagnetic spectrum.

Participants will take part in IT-related training that will provide credits toward continuous learning per year. They will also hear firsthand from DON IT Leadership and provide the opportunity for discussions between DON IT leaders and the DON IT community responsible for implementing policies and processes at the working level.

Registration is \$125 and includes the DON CIO Small Business Forum, Young AFCEAN Chapter (YAC) Sponsored Social, DON CIO Keynote Address, DON CIO Training Tracks, Leadership Luncheon Address, MARITIME Panel and much more. Free for both military and government civilians.

*****NOTE:** You must be an AFCEA member to register for this conference.

*****Also note that government civilians and military cannot register through AFCEA. They must register through the DON IT East Conference. If they are registered, they can attend all events. Also, if they did not pre-register already, they can register onsite.**

Tuesday, May 16th
Hilton, The Main
100 E Main St, Norfolk, VA

12:30PM – 5:00PM Workshop
(participants only)
Adrenaline Rm

Watch participants pitch 3 ideas!

4:15PM – 5:00PM Pitches
2nd Floor Auditorium Room

Hosted by Navy Cyber Defense Operations Command

Design Thinking Workshop - May 16, 12:30-5:30 PM - Adrenaline Room (Workshop) and Granby A/B/C Ballroom (Pitches)

Join the Navy Cyber Defense Operations Command as they host a Design Thinking Workshop to accelerate innovation through human-centered design.

Participants will be applying design thinking to solve the challenge of workforce development, recruitment, and retention. Conference attendees will have the opportunity to watch participants pitch three ideas to the audience as well as various leaders.

Facilitators: Dr. Rebecca Siders, Mr. Phillip Stratton and Petty Officer Charlene Blanks, all of the Navy Cyber Defense Operations Command.

*****NOTE:** The workshop is by invitation only and participants have been chosen. The pitches are open to everyone.

Young AFCEAN Hampton Roads DON CIO Social - May 16, 5:00-7:00 PM, Grain (Inside Hilton Norfolk The Main)

Join the Hampton Roads Chapters of the AFCEA and Young AFCEAN during the DON CIO Conference as we host a networking member outreach event to introduce you to members and for you to learn more about the two organizations. Mingle and find out what it's like to be a part of the two organizations. Food, drinks and live entertainment will be provided.

100 E. Main Street, Norfolk, VA 23510, 757.763.6279, www.grainnorfolk.com

Cyber Security - Young AFCEAN Perspective - May 18, 10:30-11:30 AM - Hilton Norfolk The Main, Main Ballroom (4th Floor)

Please join an engaging cyber discussion with Young AFCEANs of Hampton Roads as Young AFCEAN cyber experts will discuss various aspects of cyber security and defensive cyber operations in the maritime domain to include threat analysis, operations, compliance, and developing a culture of security.

MODERATOR: Lt. Dan Ballance, N6 Department Head (Communications & Information Systems), Navy Cyber Defense Operations Command

Featured Panelists: Jonathan White, SeaWatch Product Lead, United States Coast Guard; Garret Young, Incident Response Manager // Malware and Forensics Analyst, US Navy; Trent Walker, Host Based Security Operations, Branch Head NETWORKCOM; Randy Rose, Deputy Department Head, US Navy.

*****NOTE:** This panel is covered by the \$125 conference registration fee included in the package. Free for military and government civilians that are registered for the DON IT East Conference.
