

Young AFCEAN

Hampton Roads Chapter

Young AFCEAN Hampton Roads Chapter Practice Session - Thursday, March 7, 1:00 - 4:30 PM, Regent University Cyber Range

Join the members of the Young AFCEAN Hampton Roads Chapter as they participate in a practice session with the Regent University Cyber Range. The goal of this training is to have up to 12 of the most proficient Young AFCEANs experience red and blue team activities as this is a prerequisite to compete in HackWarz during the Maritime IT Summit in June. Participants do not have to be cyber professionals to participate but will need to have some experience with computer networking and Linux. They must also know their way around a computer. A focus on various attack methods such as SQL Injection, brute force login and webpage scraping will be covered during this training.

NOTE: This session is on a first-come, first-serve basis. Prior experience required. For more information, please email YAC@hamptonroads.afceachapters.org.
